

Self Portrait Game 2

by B. Sisto

Ain't no mountain high enough
Beam me up, Scotty
Cousins, identical cousins
Do you believe in magic
Engine, engine, number 9
Fintstones, meet the Flintstones
Give me liberty or give me death
Happy birthday to you
It was a dark and stormy night
Jeremy spoke in class today

Let's get ready to rumble
My bologna has a first name
Nobody does it like Sarah Lee
One small step for man
Pizza Pizza

Read my lips
Start spreading the news
To be or not to be

We don't need no education
